

Curtailing Cancer @ Home

with Dr Galen Comstock M.D.,
Irisdene Samuel R.N. & Shelly Reynolds

We ALL produce cancer cells in our lifetime.
How then can YOU Avoid Getting Cancer?

**Could your environment, what you eat, and
even the air you breath be the culprit?**

How can you arm yourself against this Deadly Killer?

Now you can find the answers!

Lifestyle | Herbs | Hydrotherapy | Massage

Dr Galen Comstock spent many years working with cancer patients at Weimar Health Institute, USA. He is now Medical Director of Highwood Health Retreat

Iris Samuel is a R.N., specializing in lifestyle treatments. She will be demonstrating herbal remedies. Shelly Reynolds will be demonstrating massage techniques to improve circulation and immune function
