

The Gluten

CONNECTION

Oscar Sande, speaker and director of Advent Health and Advent Lifestyle Institute. Advent Health is committed to provide health educational and scientific resources that provide the investment today for the health of the future. The Gluten Connection seminars have been presented around Australia and New Zealand and are part of that commitment.

SEMINAR TOPICS

1. Evolution and Amalgamation
2. Gluten, a 'sensitivity' issue.
3. Uncovering the link to other pains and aches.
