Friday 28th **The Central Issue in the Great Controversy REV.12:**
7.00pm

The Central Issue in the Great Controversy (Revelation 12) Satan had determined that he would never again acknowledge the supremacy of Christ. How about us? Do we recognize the authority of Christ in our life? Do we recognize the supremacy of His words and example? In the judgement the Father only has to ask us one question, What did you do with my Son Jesus? Did you recognize His authority over your life, or not?

Sabbath 29th **The Work of the Three Unclean Spirits**
9.30am

The dragon, the beast, and the false prophet lead the world to the Battle of Armageddon. But what are these three unclean spirits that come out of their mouths? What do they have to do in bringing the world together against Christ and His people?

11.00am **Who Can Survive the Chaos?**

If there was ever a question that we needed the right answer to, it is this one. Christ is everything to us. How can we be sure that he is everything to me?

2.30pm **Two Superpowers Control**

Revelation 13 speaks about the first and second beast. Daniel 11 speaks about the king of the north and the glorious land. Both chapters speak about religious, political, and economic issues. They focus on last day events with perfect exactitude. We need not guess at the chain of events that lead up to the Second Coming of Christ. It is all foretold in these prophecies step-by-step.

4.30pm **The Three Wonders of Bible prophecy**

The 7 wonders of the world are physical. The 3 wonders of Bible prophecy deal with character. We are admonished to study Daniel 12 to see what character we will need to get through the proving and testing of the last days.

7.00pm **The Harlot and the Beast**

Many are fascinated by the symbolism of Revelation 17: The harlot persecutes the saints of God. The beast has 7 heads, but then there is an eighth. Ten horns represent ten kings that destroy the harlot. What a fascinating depiction of the very end of time, when the harlot thinks she has won and then comes sudden destruction.

Sunday 30th **Arguments in Favour of Freedom**
7.00pm

Freedom has never been free. In the end, religious liberty will be cast to the ground and stamped upon. But opportunities to defend freedom will allow us to save some to the side of truth.
