

We all know what we should be, as Seventh-day Adventist Christians, but so often the “how to” does not come so easily. With all the mounting pressures and distractions for both inside and outside the church, how can we truly live as victorious Christians? Our two guest speakers Diamond Gracia and Janet Neumann will address these and many more questions and offer Biblical solutions. This is a program not to be missed!

Diamond Garcia

Diamond Garcia is the Associate Pastor of the Kurtistown Seventh-day Adventist Church. Diamond is an international speaker and is an adjunct teacher at various SDA colleges in America. His passion is to spark flames of Revival in the hearts of Adventists to prepare them to meet their Lord when He comes.

Janet Neumann -- Not as a scholar or theologian, but as a member of the laity, Mrs. Neumann speaks candidly from personal experience and study about the emergent church, its inroads into our church and the great need for a return to diligent study of the scriptures to avoid the subtle inroads of error.

Janet Neumann

She is a graduate of Walla Walla College (now University) with a major in speech and minors in music and psychology. She began her career teaching but soon chose to work in hospital and educational public relations. After she married and children arrived, her career was set aside as she settled into the joy of motherhood. Her two sons, John and Jason and their families, including 3 grandchildren, live near her in College Place, Washington where she is now retired.

with Diamond Garcia
and Janet Neumann

1. Do Your Homework!

Janet Neumann

Study and know scripture for yourself

Even among those who profess present truth, there are those who cling to a false gospel. How can I be sure that I truly believe in the Everlasting Gospel?

3. Beware of Strangers and Friends, Too!

Janet Neumann

Watch out for influences from both outside and inside the Adventist church that will lead you astray.

4. I Know, but How?

Diamond Garcia

We hear all the time about Righteousness by Faith, and how it works; but how do I actually overcome sin?

5. Stand-up Straight & Speak Clearly!

Janet Neumann

Be prepared to stand-up for Bible truth when the occasion calls you to do so

6. Overcoming in Postmodernism

Diamond Garcia
