

**Please Note Change of Address for Our Next
Melbourne Weekend Seminar – *Alternative
Sexuality and the Church*
July 18 to 19, 2014**

Because of circumstances beyond our control, due to the seminars theme, it has been necessary to obtain a change of venue.

The new location for the seminar is –

***Heathmont Baptist Church
78 Cuthbert St, Heathmont, Victoria
Melways Maps: 63 H 2***

The venue provides us with kitchen facilities, dining area, Cry Room and Children's Meeting Room (For primary school aged children on Sabbath morning).

Parking: All parking must be in church car park at rear of church. Council regulations prohibit on street parking.

Very Important:

Because the unavailability of the venue we initially advertised was not advised to us until after we had prepared and delivered the first round of advertising for the seminar, the advertising brochures already distributed contain the incorrect venue information for the Melbourne program.

If you have distributed invitations from the first round of advertising the people receiving this information need you to now provide them with the correct address for the venue we have had to transfer to.

We regret any inconvenience that this may cause.

Sunday 20th July 7pm program will still be held at Steps to Life Studios
15 Industrial Park Drive Lilydale
