

How do the Headlines fit Bible Prophecy?

Carl Martin takes us on a five-part journey, sifting through current headlines and laying them alongside inspired end-time prophecies. Beginning with Lucifer's plans to hijack every plan God has implemented and moving next to a closer look at both world and church events, Carl then comes full circle with a look into our heavenly future and how to prepare for the closing events. Come and join Carl as we discern the times through the lens of end-time prophecies.

Meet Carl Martin

Carl Martin once thought the entertainment industry could bring him happiness. After high school graduation he moved to Hollywood, trying to break into the movie business. But the Lord ultimately opened Carl's eyes to his need of Christ and Carl has never looked back.

Since then he has spoken at dozens of churches, schools and events all across the United States as well as completing a two-week evangelistic campaign in Nicaragua with the mission group Maranatha. He also authored the book *Heaven, Think On These Things*.

For three years Carl worked for the Southern California SDA Conference in outreach and personal ministries. He now works as a training and development specialist at a major U.S. corporation, developing leaders and managers at various levels through classes and one-on-one coaching.

Carl believes that God is preparing a people for the Second Coming and that now is the time to let God work through us to finish the work and go home.

A Prophetic View of Current Events

Melbourne

5th - 6th August 2016
Heathmont Baptist Church
78 Cuthbert St, Heathmont

Friday 5th
7.00 pm

The Devil's End-Time Playbook

While the world senses things are getting crazy, most don't realize that there is a carefully laid plan behind much of today's headlines. Conspiracy theories may distract us, and comfortable pews and sermons may lull us to sleep, but understanding Satan's plans will help us avoid the pitfalls. Some of them may surprise you.

Saturday 6th
10.30am

Prophecy Unfolds in the Headlines

The First Jesuit Pope? Rising ISIS attacks? A Reality-Show-Like U.S. Presidential Race? Mass Immigration Activity? Re-defining Marriage? Rumbblings of Sunday Legislation? Do you know what is going on?

2.30pm

Prophecy Unfolds in the Remnant

As vital as it is to understand the events on the world stage, it is even more crucial to discern what is going on in God's church. Prophetic legislation is not what is holding up the falling of the Latter Rain, but rather the complacent hearts of God's people. So what do all of the recent changes and trends tell us about the condition of God's church? What should we do about it?

4:30pm

Prophecy Unfolds Through Eternity

Real life begins in heaven and our time in this world is merely walking up to the starting gate. After the Time of Trouble and the seventh plague, we know Jesus is returning to take us home. But what will heaven really be like (beyond the clichés)? Come on a tour of your real home. Based on Carl's recently updated and expanded popular book – "Heaven: Think on These Things." This thrilling narrative is Carl's most requested presentation.

Sunday 7th
