with Rose and Leo
Hamulczyk

*How God
transformed one
families life, now
impacting thousands*

After escaping from an abusive home, and living as a refugee for some years, God led Rose on a journey through many remarkable circumstances. In His amazing and fascinating way, the Lord led Leo and Rose together to combine their talents, gifts and experience to continue serving Him on a bigger scale. They got married on December 24, 2006. Their mutual love for God and strong background in mission service paved the way for a ministry that reaches thousands
